Site Name (if applicable): Saturday Clinic for the Uninsured
Focus Area (s) Primary: Healthy Futures Secondary:

Objectives and Member Activities

Goal of the Project: The PHA Member activities will increase access to healthcare to the low income and uninsured population by providing direct services as well as efficiencies and the groundwork of integral components to ensure sustainability of the delivery of high-quality healthcare to the most vulnerable populations.

Objective of the Assignment: Improve management of chronic conditions at SCU

Member Activities:

- Work together with the SCU team to plan programming and logistics of the second year of SCU's DHS grant
- Measure and increase the effectiveness of SCU's DHS programming

Objective of the Assignment: Facilitate quality patient care

Member Activities:

- Facilitate and assist with patient communication and continuity of care outside clinic hours
- Fill in SCU volunteer roles as needed on Saturdays
- Identify areas of improvement for clinic workflow and operations and work together with the SCU team to address these
- Identify additional community resources for mobile mammogram clinics to implement at SCU

Objective of the Assignment: Assist with creation and launch of new scheduling and training platform for SCU volunteers

Member Activities:

- Work with SCU's Director of Medical Student volunteers to create and upload training videos and student profiles to the platform
- Create process for volunteer scheduling on the platform
