VISTA Assignment Objectives and Member Activities

Goal of the Overall VISTA Project: The VISTA member activities will support the Clinical Director in completing the requirements to achieve the Silver Standards. This may include writing policies, working directly with the Board of Directors and the clinical team to identify areas of improvement to meet the needs of the Silver Standards. The Vista member will actively participate in the ongoing cardiovascular screening program targeting patients that live in the Triangle and the multicultural Community Center in Madison. The VISTA will be actively involved in community events that promote primary Cardio Vascular prevention and the mission of the clinic.

Objective of the Assignment

Engage with Clinic Director to meet the needs of the Silver standards gap analysis.

Member Activity (01/01/2023 - 12/30/2023): Member Activity: Collaborate with the Clinic Director and the Board of Directors to complete the deficiencies of the gap analysis for the Silver Standards of Excellence. Member Activity: Write and implement necessary policies to meet the standards in collaboration of the clinic director and the President of the BOD.

Objective of the Assignment

Actively participate in the Cardiovascular screening program with Edgewood College BSN students and the CV lead of the clinic at the Multicultural Center and Triangle in Madison.

Member Activity (01/01/2023 - 12/30/2023): Member Activity: The Vista will participate in the clinics blood pressure training program. Member Activity: Engage in rooming patients during clinic with one of the clinics volunteers. Member Activity: Have VISTA learn and perform point of service testing equipment for cholesterol, HGA1c, EKG, ABI to be able to assist in the CV screening program.

Objective of the Assignment

Collaborate with clinic Director with identifying and writing grants for continued operational support for the clinic and to promote outreach of clinic.

Member Activity (01/01/2023 - 12/30/2023): Member Activity: The Vista will collaborate directly with the BOD to identify and submit multiple grants to meet the operational budget of the clinic for 2023-2024.
Member Activity: Engage with the Outreach Committee to coordinate community events that promote the mission, vision, and values of the NFHC. Inclusive of blood pressure screening, community education and recruitment of volunteers.
